IT'S A BABY DVD

We have now received the DVD made of our FS and KS1 Christmas Production of It's a Baby. The DVD can be purchased for £7. Cheques payable to Evercreech CE Primary School. Please fill in the attached slip and return with payment to the school office by Monday 26 January so that we can order the correct number of DVDs. There are also a few photographs that were taken by the company who produced the DVD of children in Rowan Class that are also available for purchase. These can be viewed on a sheet on an external window in Rowan Class. Please add any photograph orders to the attached slip with payment.

ROWAN CLASS

In order to continue to develop our children's independence could I please ask that unless there is an urgent message for a member of staff in the mornings could your children be left at the cloakroom door to sort their own belongings out. In order for there to be less congestion in the cloakroom in the morning the staff would like the children to leave for the playground through the other door in the classroom to play before Wake and Shake. Many thanks for your support in this.

FMSIS (Financial Management Standard in Schools)

Next Tuesday, 20 January the main school office will be closed as we are having a financial management audit. It would be greatly appreciated if parents avoid

the office on this day so that Mrs Gates is disrupted as little as possible! Many thanks.

ARRIVAL AT SCHOOL

It has been noted that there are some children who are arriving at school before 8.45am and playing outside the front of the school or in the nearby fields. We are concerned about the health and safety of these children at this time and therefore would ask that this does not occur.
