Dear Parents

CHRISTMAS PRODUCTION - CHANGE OF DATE

Please note that the afternoon production of 'It's a Baby' will now take place on **THURSDAY 11 DECEMBER at 2pm** and not next Tuesday 9 December. If you have requested tickets for the original Tuesday performance, these will be replaced with tickets for the new date of the Thursday 11 December. If this new date is inconvenient and you need to change your allocation, please contact the school office. We will be sending out tickets shortly to those people who have already requested them.

WELLS CONCERT

We are looking forward to being a part of the Wells Primary Schools' Christmas Concert this Thursday. Please note that the children will need to bring in a packed lunch and a packed tea on **THURSDAY 4 DECEMBER** and not Wednesday as it said in the previous letter! I obviously had a very pregnant moment when writing that last letter!

SCHOOL PHOTOGRAPHS

You will have received proofs of your child's photographs taken last month today. We hope that you will be pleased with the results! Please could you fill in the form provided in the envelope with payment and return to the school office by Monday 8 December at the latest. This is the date they will be collected by the photographic company. Many thanks.

AFTER SCHOOL CLUBS

Please note that there will not be any football, netball or art clubs running after this week. ICT and cross country clubs will still run until the end of term.

LET'S GROW VOUCHERS

Please could you dig deep into bags and pockets to find any Morrison Garden vouchers you may have hiding away! We need to order items using these vouchers soon so we would appreciate any outstanding vouchers being brought into school by Friday 5 December. Many thanks.

With best wishes
Heather Barraclough
Headteacher
