23 October 2008

Dear Parents

CROSSING PATROL

I just wanted to say a very big thank you to Mrs Tully for all she has done to support the school crossing patrol over the past year. We will miss her friendly face every morning and afternoon but she is still remaining with us at lunchtimes.

THEATRE TRIP TO SEE SLEEPING BEAUTY

Many thanks for all the consent forms already received in the school office regarding the above trip. I am so pleased that there has been such a good response to this and we are all very much looking forward to going in December.

SURVEY OF NEED - AFTER SCHOOL PROVISION

Many thanks to all those parents who have returned their survey of need regarding after school provision. I just wanted to clarify that at this stage this is just a survey to find out the amount of families and children who would benefit from an out of school club service. Once we have gathered the data we can then begin to look further into the costings and organisation of this service and whether and where this service can be provided from as there are many options. The survey did state in the introductory paragraph that this service would run from Acorns but until all aspects of this service are sorted we cannot at present say where this club would run from. It is purely a survey of need at this time. Many thanks for your understanding in this matter.

BAGS FOR SCHOOLS

You will have already received bags for schools in which we would like you to rummage through your house finding clothing, material etc for collection in school on Wednesday 19 November. We hope you will be able to support this scheme.

INSET

School will be closed on Friday 24 October for staff training. No children in school. Children return to school on Monday 3 November.

I do hope that you all have a very relaxing and restful half term. We look forward to seeing the children in school again after the half term break. Once again, many thanks for your support and hard work over the past weeks.

Best wishes
Heather Barraclough
Headteacher
