## 30th January 2026— Spring 1 Volume 4

### Headteacher's message

Despite some very challenging weather this week, including heavy rain and flooding that affected many journeys into school, it has been wonderful to see our school community pulling together. Thank you to families for your patience and flexibility during such difficult conditions.

Our final group of Year 6 pupils showed incredible skills as they completed their Bikeability training, bravely battling through the cold and rain.

Holly Class enjoyed a lovely trip to Rodmore Farm, where they had the chance to meet the animals and learn more about farm life, all topped off with a delicious milkshake treat! The children thoroughly enjoyed this hands-on learning experience.

Back in school, pupils have also been enthusiastically throwing themselves into their gymnastics lessons with Mrs Tanner. It has been a joy to see their confidence, coordination and perseverance grow as they challenge themselves and celebrate each other's successes.

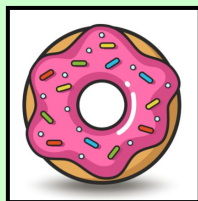

Mrs Sarah Hann, Headteacher

As part of our upcoming Science Week, we are looking for guest visitors who enjoy science, work with animals, or have a science-related job or hobby.

Do you, or someone you know,

- ◆ Work in a science-related field?
- ◆ Work with animals such as a vet, wildlife carer, farmer, researcher?
- ◆ Have a science-based job or hobby and would be happy to talk about it?

If you know someone who might be interested in visiting our school to talk with the children or share their experiences, we would love to hear from you!
