Term**

Y4

Summer 2026

Dear Parents

This letter is designed to provide key information about learning this term.

SUBJECT	CONTENT
English	This term, the children will have the opportunity to explore a range of poetry and non-fiction texts and write a variety of fiction pieces of their own. We will continue to consolidate reading comprehension skills using a variety of texts. Throughout the term, children will broaden their understanding of grammar techniques.
Mathematics	This term, the children will consolidate and extend their knowledge in many areas of maths, including: Recognising equivalents of fractions and decimals, solving problems with all four operations, reading and writing analogue and digital times including converting between 12 and 24-hour time and solving time word problems, recognise and measure acute and obtuse angles, finding the perimeter and area of rectilinear shapes and place value and rounding, including decimal numbers. Mental recall of all times tables will continue in preparation for the MTC.
Science	Electricity - This term, the children will explore a series of electrical circuits. They will learn how to construct a simple series electrical circuit, and name the basic parts.
Computing	Creating media: Children will use cameras to take photos and learn how to edit to enhance colours. Programming B: The children will continue their skills linking to coding and interpreting data. E-Safety: Children will consider all aspects of E-Safety to keep themselves safe online.
Geography	Where do I live? What can I do? - Children will locate the main countries of the UK and their capital cities and look at their topography and how they differ. They will also learn the names and locations of the counties of England and name and locate countries in Europe and their capital cities. They will use maps to make comparisons between Evercreech now and in the past.
History	The Egyptians: The children will learn how the Egyptians came to be and where to locate them in place and time. They will explore the importance of the Nile, and how farming has changed over time. Children will also look at Egyptians beliefs of life and death and how the tomb of Tutankhamun has helped shaped our understanding of the ancient Egyptians.
RE	What do Christians believe about Agape? Children will understand what Agape means and how this relates to the story of the Good Samaritan. They will then look at the importance of churches and what the features of a church are.
Music	Expression and improvisation & The show must go on: Children will improvise and compose music for a range of purposes, listen and recall sounds and play and perform solo and in an ensemble.
Art	Craft and Design - Fabric of Nature: In this unit, the children will explore pattern. They will use nature as the starting point in their design process and explore techniques to develop their imagery.
DT	Electrical Systems: Linking with their science topic, the children will create a functioning torch with a switch according to their design criteria.
PE	Athletics: Children will develop running for speed and distance, work on their skills in throwing for distance and accuracy and improve techniques in jumping for height and distance. Swimming.
PSHE/RSE	Being My Best: Children will learn about choices regarding health, skills and interests and the environment. Growing & changing: Children will learn how to manage difficult feelings and family relationships.

Homework

MATHS

Maths homework will go home every other **Friday** reinforcing topics learned during the term.

Homework should be handed in on **Wednesday** please.

ENGLISH

English homework will go home every other **Friday** reinforcing topics learned during the term.

Homework should be handed in on **Wednesday** please.

SPELLING & TIMES TABLES

Spellings will be sent home each Friday and will be tested the following Thursday.

There will be a variety of spellings relating to strategies being taught.

Times tables will be tested weekly in readiness for the MTC in June 2026.

READING

Regular reading at home is important. Children should be reading at least 3 times a week for 10 minutes to an adult.

Reading records and reading books must be in school every day to ensure we can monitor how regularly your child is reading in and out of school.

ADDITIONAL INFORMATION:

- ◆ PE kit of black shorts, logoed yellow t-shirt and trainers/daps of the right fit need to be worn on PE days. (Tracksuit bottoms and trainers are recommended for outdoor PE.)
- ◆ A collective act of worship will take place every day. This will consist of Bible stories, songs and prayers.
- ◆ Homework will be given out on a Friday and is to be returned completed on the following **Wednesday**.
- ◆ Please could all belongings be clearly named.
